

Paul Haskett - CV

PROFILE

Dynamic and creative IT professional with a futuristic edge, specialising in cutting-edge web development. Proficient in PHP, JavaScript, MySQL, CSS, HTML and Python, with a passion for solving complex problems and staying ahead of the curve. Armed with a BSc in Computing and IT from The Open University, I am eager to push boundaries and contribute to innovative, tech-forward projects.

EDUCATION & QUALIFICATIONS

- BSc (Hons) Computing and IT - Open University, Upper Second-class Honours (2.1)
- Cams Hill School - GCSE Maths (C), Biology (C)

TECH STACK

- Front-end: HTML5, CSS3, JavaScript, React, Next.js, Three.js
- Back-end: PHP, MySQL, Node.js, Composer
- WordPress: Theme and plugin development
- LAMP stack development
- Networking: Cisco CCNA (OU equivalent)
- Version control: Git
- Project management and client collaboration
